15 January 2018

Dear Parent/Carer

MATHS ENRICHMENT DAY Friday 2nd February 2018

I am pleased to inform you that I have planned a Maths enrichment day for the whole school on Friday 2nd February 2018.

Children will be involved in a wide range of maths activities throughout the entire day and have opportunities to work across the school with children in other classes. The day will be based around maths in books (Goldilocks and the three bears etc.)

The children are invited to come to school in **fancy dress**, this can be anything number based or maths based. An old t-shirt with numbers/symbols written on it will be perfect! If you wish to be more elaborate with your design then please feel free but remember the children need to be able to move around freely...

This will be a wonderful opportunity for all the children to explore maths in a fun and hands on way.

If you have any further queries, please do not hesitate to contact me.

Yours faithfully

Mrs E Masters
Maths Co-ordinator
(Leader of Learning)
